## Matters arising from the minutes of the previous meeting

The banners have been obtained and distributed to sections. The Yorkshire banners have a white Yorkshire rose on them. Sections have been told that they will have to pay if they need to replace lost banners—we hope this will be a discouragement to leaving them behind at events.

DE said that the supplier of our current banners does not print the 'feather flag' type but he will get a quotation elsewhere.

**DE**

One problem with flag banners is adequately supporting them on hard surfaces. NM offered to investigate ways of doing this.

**NM**

The lapel badges and cloth badges have been bought and distributed to the holders of regalia boxes.

## Officers' reports

### Treasurer

We still have a healthy bank balance. Despite spending £494 on banners and badges, the projected loss for the year is only £320 and it may be possible to consider getting further regalia items next year. There should not be any need to increase subscriptions for next year

### Secretary

Members have encountered several problems, registering bikes with DVLA. In many cases the answer is just to resubmit the application pointing out where DVLA has gone wrong. We have reported these problems to the FBHVC.

**Publicity**

NM reported that David Watson's moped collector group on Facebook has generated a lot of interest. There have been tentative enquiries about forming more sections. DE said he has spare 'blank' banners available for any new sections and can get section-specific ones made quickly.

**Events**

Martin and Sharon have been running joint NACC/EACC events in the South East. Until now, these have been under an NACC 'permit'. This seems to be causing some friction within the NACC. We are happy for them to run these as EACC events with NACC members as guests. (In practice, nearly everyone attending belongs to both clubs anyway.)

**Spares**

No report.

**Merchandise**

See 'matters arising' above.

**Any other business**

AP reminded all committee members that it helps if he can have their AGM reports in advance of the meeting.

**Close of meeting**

The meeting closed at 1:35pm.
