

The M•A•C

The Newsletter of the
East Anglian
Cyclomotor Club

Number Three

June 2008

Progress

Another busy three months have gone by and there's a lot to report...

V765

The biggest news must be that we have been accepted by DVLA to handle V765 registration application. We've prepared a couple of information sheets: one for V765 and one for 'Age-related' applications. They're available from the website or write to Andrew for a paper copy.

Events

We've had our first couple of official runs. The first was the Radar Run on 13th April. At the time of the previous newsletter, we thought the NACC might retain the East Anglian Run - but they decided to abandon it and, therefore, that became our second run. A turnout of about 18 people for the East Anglian Run was pretty good - especially considering the uncertainty and lack of publicity. There were 50 machines on the Radar Run - a magnificent turn out. A visitor to the Radar Run was Emma Merwood from Footman James, which brings us to our next news.

Insurance

We now have an insurance scheme with Footman James. Club members can now receive up to 10% on a range of products specifically tailored to the needs of the enthusiast. You can also receive 5% off home and contents insurance. This includes any loose and spare parts for your vehicle that are being kept indoors, up to the value of £1,000.

Rules

Thanks to those of you who commented on the draft rules we sent out with MAC number 1. We've incorporated some of the suggestions and there's a revised version with this copy of The MAC. We've been trying to keep the rules as simple and straightforward as possible and have, therefore, simplified some of the suggestions that were made. We won't make any more changes

until AGM, but you'll still have the chance to make changes at the AGM itself.

AGM

The AGM is on Sunday 16th November at Coddendam Village Hall, following the Kneel's Wheels Run.

Badges

Enamel badges are now available from Mark for £2.50 each... or buy one at the next event.

In addition, there are plans for a Norfolk Run in August and a 'West Anglian Run', possibly in September. If you want to organise an EACC event, please get in touch. We're geared up now to help you with insurance, sign-on sheets, 'day' membership sheets, certificates, machine numbers, voting slips, and anything else your event might need.

Spotted at the Radar Run

We haven't featured a 'proper' cyclemotor yet in this column, so here's one. Dave Whatling can be relied upon to bring a cyclemotor to club events and this time he chose his GYS Motamite. This one was built in 1950 and it's a roller-drive unit. Later versions were marketed as the Cairns Mocy.

This Victoria Vicky 117 was one of the rarer mopeds seen on the Radar Run. It's a 3-speed machine with leading-link front suspension. Maybe its rarity is due to the fact that the 117 was only imported to the UK between June 1963 and October 1964.

The East Anglian Cyclemotor Club

is *the* club for *all* cyclemotor, motorcycle and moped enthusiasts, *everywhere*.

Membership is just £2.50 a year for UK residents (and it's £4.50 for the rest of Europe, & £6.50 for the rest of the world). The membership form is available from our website... or just ask and we'll send you one.

Spares

Alan Course is our spares man. Alan doesn't hold any stocks of spares - he's just good at finding out who does. So, whatever you need, ask Alan.
